**Green Business Award for Swinton Park at Yorkshire Rural Awards**

Swinton Park has been awarded the Green Business Award 2009 at the Yorkshire Rural Awards, held on 14<sup>th</sup> May at a gala dinner in Harrogate. The awards were presented by BBC Look North presenter Harry Gration, and the award sponsored by Yorkshire Forward.

The hotel was recognised for its commitment to reducing its carbon emissions and investing in environmentally friendly technology. This includes a woodchip boiler, a high tech laundry and energy and waste saving measures.

“We are really thrilled to have been chosen for this award,” commented owner, Felicity Cunliffe-Lister. “The countryside surrounding us is truly unique, and we will continue to take every opportunity available to run as efficiently and responsibly as we can to help preserve it the way it is.”
