Peter Llewellyn is joining Swinton Park, the award winning castle hotel in the Yorkshire Dales, to head up the team of 54 staff as General Manager. Peter has over 20 years of experience in the hotel industry, having trained at Chewton Glen and since worked at several renowned hotels in England and Scotland. His remit is to maintain the hotel's 4 AA Red Star standards, improve the restaurant's profile at a national level, and to expand the hotel's facilities in conjunction with the Swinton Estate which surrounds the hotel and is also owned by the Cunliffe-Lister family.

"Swinton Park offers an excellent challenge in terms of potential expansion, and is also a really excellent hotel which I am proud to be part of " commented Peter Llewellyn, "I am looking forward to celebrating the hotel's 10 year anniversary next year, and to all that is planned for Swinton Park's future."

Peter is replacing Andrew McPherson, who has been at the hotel for over five years and is moving to the Lake District.
