Winter Weddings at Swinton Park 2013-2014

Imagine a Highland piper to greet you, a candlelit ceremony, mulled wine and hot toddies, roaring fires, and a Ceilidh dance to celebrate – what could be more romantic than a winter wedding?

We have three Winter Wedding packages for groups of 30 to 64 guests, with or without accommodation, which are available from October through to March.

Exclusive Use Winter Wedding

The package includes the exclusive use of the hotel from 5:30pm until 8:00am the following morning, all thirty one bedrooms (accommodating 64 guests) on a bed and breakfast basis for the night and the use of a function room for the civil ceremony (which includes a dove release). Following the ceremony guests enjoy a Mulled Wine or Winter Pimms drinks reception in the cosy Drawing Room, followed by the wedding breakfast with wine (half a bottle per guest), and Sparkling Wine for the toast. Following the wedding breakfast, continue to your Evening Reception, following the candlelit corridor to the Library, and end the evening with bacon butties!

All of this, as an inclusive package for 60 guests, costs £12,500.
